- Used the car parks**
- Visited local businesses**...shops, restaurants, pubs, etc.
- Used supermarkets**
- Visited local attractions**...Sealife centre, Park Farm, fairground, etc.
- Used the golf courses**
- Used holiday accommodation**...caravans, B&Bs, self-catering

Add any other activities you have done in the area here:

**Question 2: What do you like best about the area?**

Feature	Please tick up to 5 features
Being able to visit the beach/see the sea	
Footpaths, being able to walk along the coast	
Having friends and family nearby	
People are friendly	
Being involved in making local decisions	
Lots of things to do	
Peace and quiet	
Beautiful area	
Value of my house or business	
Good road links	
Good bus links	
No/little crime	
Health services, emergency services	
Range of businesses and shops	
Community facilities (village halls, schools, etc.)	

**Question 3: Which do you think is the best option for the future?**

(please tick the option you like best)

- Local people and businesses should raise the money needed to ensure that local sea defences continue to be managed and maintained
- Local people and businesses should be prepared to adapt to coastal change (this would avoid the need to contribute towards managing and maintaining local sea defences)

Please add comments here if you wish:

**Question 4: Who do you think should contribute towards paying for defences?**

(please tick the option you like best)

- Just those who could be flooded
- Everyone in the parishes of Heacham, Snettisham, Hunstanton, Dersingham and Ingoldisthorpe
- Everyone in the Borough

Please add comments here if you wish:

**Question 5: If you were asked to contribute towards maintaining the defences, how much would you be willing to pay?**  
(please tick one option)

- I am not willing to pay
- £1 to £2 per year
- £2 to £5 per year
- £5 to £10 per year
- £10 to £20 per year
- £20 to £50 per year
- £50 to £100 per year
- More than £100 per year
- I don't know/cannot say

Please add comments here if you wish:

**Question 6: If there is not enough money to maintain the defences, how do you think the area should adapt to the risk of increased flooding?**  
(please tick all those you agree with)

- A: increase flood warning
- B: homes and businesses should be made more flood-proof
- C: people should not be allowed to build in the floodable area
- D: people should move out of the floodable area (roll-back)
- E: properties in the floodable area should be moved or demolished
